three miles north of
Wiscasset, Maine.

THE ALBEE FAMILY
of
Berkeley,Calif.

Present their line of descent from

BENJAMIN ALBEE of Braintree,Mass.(1640)
and
BENJAMIN COOLEY of Springfield,Mass.(1640)

This booklet is a forty-page abridgement of a completed manuscript. In the larger work,biographical and historical records for each family have been entered and references for those notations comprise a sixteen-page section. The reference section includes also ownership and location-addresses of Bibles,diaries,private papers,and manuscripts the contents of which have not been published.

These notes emphasize notable activity of certain families in civic and military affairs of the Colonies,listing those groups which qualify for highest honors among patriots and founders.

Featured also is a brief on Revolutionary Soldiers with records of their service and authenticated references;some of them are not mentioned in the Roll of Honor of Ancestors in D.A.R.volumes.

One copy of the completed manuscript may be found in the D.A.R.Library in Washington,D.C. and another copy in the New England Historic Genealogical Society Library in Boston,Mass.

In this folio,there are four subdivisions:

I. THE MASTER SHEET. The present generation and four preceding are named and EACH of these sixteen families have been assigned an identifying NUMBER.

II. FAMILY CHARTS. For each family thus numbered,the name appears again headlining each of two charts,on one of which the paternal ancestors are listed;on the other, maternal ancestors are listed.
Family lines are identified by LETTERS and PRIME LETTERS for example, the captions " 10-C " and " 10-M' " will indicate different related lines of the Brewer family.

III. EARLIEST ANCESTORS. For this data,five supplemental pages have been provided and bracketed with each name entered,is a CODE of that family to which the name belongs.

IV. THE INDEX. Opposite each entry,is a CODE; the NUMBER will identify the family; the LETTER locates the LINE.

Additions and corrections will be welcomed and communications may be addressed to the compiler,

Dr George C. Albee,
219 South Orange Ave.,
South Orange, N.J.

Dated,
Jan.1st,1949.
